

## November 2017 Tarrant County Homeless Coalition Report

### Report

#### **Supported Employment Navigation Project**

Texas Homeless Network will be working with Tarrant County Homeless Coalition to develop a supported employment navigation program with Workforce Solutions of Tarrant County. The project will employ a VISTA worker who will help to coordinate and lead the project. While numerous details remain to be determined, initial foci will likely include:

- Coordinate with employment workgroup and Workforce Solutions to come up with how to implement employment services for those on Homebase – can include how to better connect clients to Workforce Solutions
- Implement above process – provide training for partner agencies, create tip sheet, etc.
- Create a comprehensive resource guide on employment services in our community
- Meet with employers who will hire clients – keep an inventory of openings and contacts at each location
- Participate on employment workgroup – co-lead the group with current chair

#### **Leadership Transition**

The Tarrant County Homeless Coalition Board of Directors has selected Tammy McGhee to be the corporation's next Executive Director. Ms. McGhee will start work at TCHC on November 20<sup>th</sup> and her first day as Executive Director will be November 22<sup>nd</sup>.
