Report on the Financial Statements

We have audited the accompanying financial statements of Tarrant County Homeless Coalition (a nonprofit organization), which comprise the statements of financial position as of December 31, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Tarrant County Homeless Coalition as of December 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, such information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated July 9, 2018 on our consideration of Tarrant County Homeless Coalition's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Tarrant County Homeless Coalition's internal control over financial reporting and compliance.

Tarrant County Homeless Coalition

Notes to the Financial Statements

1. Organization

Tarrant County Homeless Coalition (TCHC) was incorporated in the state of Texas as a not-for-profit corporation on May 25, 1990. The purpose of TCHC is to lead, coordinate and develop strategies and resources to end homelessness. TCHC is supported primarily by contributions and grants from individuals, corporations, other nonprofit organizations and government agencies.

Programs

TCHC accomplishes its purpose through the following programs:

Continuum of Care - TCHC is recognized by the local community and the U.S. Department of Housing and Urban Development (HUD) as the lead agency for the Continuum of Care (CoC) serving Tarrant and Parker Counties. As the CoC lead agency, TCHC collaborates with the local CoC Board of Directors to:

- Operate the Continuum of Care
- Provide for a Homeless Management Information System (HMIS) for the Continuum of Care
- Plan for the Continuum of Care
- Serve as the collaborative applicant for funding

Coordinated Assessment - TCHC provides a telephone helpline for persons facing a housing crisis, conducts a uniformed assessment, makes referrals to the appropriate housing intervention organization through prioritization and makes referrals to service and housing providers in the Continuum of Care.

Coordinated Entry Expansion - The homeless service system that operates in Tarrant and Parker counties is working on a redesign of the Coordinated Entry System. An ad hoc committee has begun meeting to provide oversight and guidance to the development and implementation of the new system.

Homeless Management Information System - TCHC administers the HMIS that supports required client and services data collection, reporting and performance evaluation for nearly \$20 million in federal, state, and local programs to prevent and end homelessness.

Resources for Partner Agencies - TCHC oversees funds that are utilized by organizations for direct aid to the homeless within the CoC.

Tarrant County Homeless Coalition

Notes to the Financial Statements

2. Summary of Significant Accounting Policies

The accounting policies of TCHC conform to U.S. generally accepted accounting principles (GAAP) as applicable to voluntary health and welfare organizations. The more significant accounting policies of TCHC are described below.

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting. Accordingly, revenues are recognized when earned and expenses are recorded as incurred.

Estimates and Assumptions

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of support and expenses during the reporting period. Actual results could differ from those estimated.

Financial Statement Presentation

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

Unrestricted net assets - Net assets not subject to donor imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor or grantor stipulations that will be met by actions of TCHC and/or the passage of time. There are no temporarily restricted net assets at December 31, 2017 or 2016.

Permanently restricted net assets - Net assets subject to donor imposed stipulations that will never lapse, thus requiring the funds to be maintained permanently by TCHC. Generally, the donors of these assets permit TCHC to use all or part of the income earned on related investments for general or specific purpose. There are no permanently restricted net assets at December 31, 2017 or 2016.

Revenues are reported as increases in unrestricted net assets, unless use of the related assets is limited by donor imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Expirations of temporary restrictions on net assets (i.e., the donor stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

Tarrant County Homeless Coalition

Notes to the Financial Statements

Financial Instruments and Credit Risk Concentrations

Financial instruments which are potentially subject to concentrations of credit risk consist principally of cash, accounts receivable and grants receivable. Cash is placed with high credit quality financial institutions to minimize risk. Grants receivable are unsecured and are due from various grantor agencies under cost reimbursement grants. Accounts receivable are unsecured and are due from various agencies for user fees related to the HMIS system. TCHC continually evaluates the collectability of grants receivable and accounts receivable and maintains allowances for potential losses, if considered necessary.

TCHC maintains cash balances at a financial institution located in Texas. Accounts at the institution are insured by the Federal Deposit Insurance Corporation up to \$250,000.

Property and Equipment

Property and equipment are recorded at cost or, if donated, at estimated fair market value at the date of the gift. Depreciation is computed using the straight-line method over estimated useful lives of the assets. Expenditures for maintenance and repairs are expensed when incurred; significant renewals and betterments are capitalized.

Revenue Recognition

Contributions are generally recorded only upon receipt, unless evidence of an unconditional promise to give has been received. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of the amounts expected to be collected. All contributions are considered available for unrestricted use unless specifically restricted by the donor.

Government grant revenue is recognized as contract terms are fulfilled. Cost reimbursement contracts are recognized as revenue when the allowable costs are incurred. Fees for contract services are recognized as revenue when the contracted services are performed.

Grants and Contracts

TCHC receives grants and contracts from federal and state agencies, as well as private organizations, to be used for specific programs. For government grants and contracts, the excess of reimbursable expenditures over cash receipts is included in grants receivable.

TCHC's costs incurred under its government grants and contracts are subject to audit by government agencies. Management believes that disallowance of costs, if any, would not be material to the financial position or changes in net assets of TCHC.

Tarrant County Homeless Coalition

Notes to the Financial Statements

Allocation of Functional Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Federal Income Taxes

TCHC is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code (IRC). However, income generated from activities unrelated to TCHC's exempt purposes is subject to tax under IRC Section 511. TCHC had no unrelated business income for the years ended December 31, 2017 and 2016. Accordingly, no provision has been made for federal income tax in the accompanying financial statements.

GAAP requires the evaluation of tax positions taken in the course of preparing TCHC's tax returns and recognition of a tax liability (or asset) if TCHC has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by TCHC, and has concluded that as of December 31, 2017 and 2016, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

3. Deferred Revenue

Deferred revenue at December 31, 2017 relates to certain grant receipts for which TCHC has not yet performed the required program activities.

4. Commitments and Contingencies

TCHC leases office space on a month-to-month basis with monthly payments of \$700. Rent expense totaled \$8,400 for the years ended December 31, 2017 and 2016, respectively.

TCHC has an operating lease for its copier expiring in 2018. Minimum lease payments under this lease total \$4,679 for the year ending December 31, 2018.

5. Concentrations

At December 31, 2017 and 2016, TCHC had grants receivable due from one entity.

Tarrant County Homeless Coalition

Notes to the Financial Statements

TCHC's revenue is received from various sources. Two of these sources comprised approximately 94% and 79% of total revenue for the years ended December 31, 2017 and 2016, respectively. Although management believes these revenue sources will continue in the near term, it acknowledges that the loss of revenue from these sources could have a materially adverse effect on TCHC's financial position, activities and cash flows.

6. Subsequent Events

Management has evaluated subsequent events through July 9, 2018, the date which the financial statements were available to be issued, and concluded that no additional disclosures are required.

Compliance Reports

**Independent Auditors' Report on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards***

Board of Directors
Tarrant County Homeless Coalition

We have audited, in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Tarrant County Homeless Coalition (a nonprofit organization), which comprise the statement of financial position as of December 31, 2017, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated July 9, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Tarrant County Homeless Coalition's (Organization) internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Sutton Grost Carey

A Limited Liability Partnership

Arlington, Texas
July 9, 2018

Independent Auditors' Report on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance

Board of Directors
Tarrant County Homeless Coalition

Report on Compliance for Each Major Federal Program

We have audited Tarrant County Homeless Coalition's (Organization) (a nonprofit organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended December 31, 2017. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with U.S. generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2017

Report on Internal Control over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Tarrant County Homeless Coalition

Notes to Schedule of Expenditures of Federal Awards

1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (Schedule) includes the federal grant activity of Tarrant County Homeless Coalition (Organization) under programs of the federal government for the year ended December 31, 2017. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Organization.

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Organization has not elected to use the 10 percent de minimis indirect cost rate, and continues to use the cost allocation plan negotiated individually with its grantors, as applicable.
