

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.

- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHPD Renewal; and
- YHDP Replacement.
- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New and Renewal Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.

- Project applications on the following Project Listings must be approved, they are not ranked per the FY 2023 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- YHPD Renewal Project Listing; and
- YHDP Replacement Project Listing.

- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.

- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.

- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

Continuum of Care (CoC) YHDP Replacement Project Listing

Instructions:

Prior to starting the YHDP Replacement Project Listing, review the CoC Priority Listing Detailed Instructions and CoC Priority Listing Navigational Guide available on HUD's website.

To upload all YHDP Replacement project applications submitted to this Project Listing, click the "Update List" button. This process may take a few minutes based upon the number of YHDP renewal projects submitted by project applicant(s) to your CoC in the e-snaps system.

You may update each of the Project Listings simultaneously. To review a project on the YHDP Replacement Project Listing, click on the magnifying glass next to each project to view project details. To view the actual project application, click on the orange folder. If you identify errors in the project application(s), you can send the application back to the project applicant to make necessary changes by clicking the amend icon. It is your sole responsibility for ensuring all amended projects are resubmitted, approved and ranked (if applicable) or rejected on this project listing BEFORE submitting the CoC Priority Listing in e-snaps.

As stated in the FY 2023 NOFO, CoCs must rank all YHDP Replacement applications for projects replacing YHDP Renewal projects that HUD initially funded in the FY 2016 (Round 1) YHDP Competition.

https://www.hud.gov/program_offices/comm_planning/coc/competition.

WARNING: If you amend project applications back to project applicants to make changes or corrections in e-snaps, you must approve the resubmitted project applications. If you do not approve the resubmitted project applications, they will not be included on your CoC's Priority Listings, which could result in your CoC losing funding. HUD lacks the authority to fund projects unless they are included on the Priority Listings, which tell us which projects your CoC is prioritizing.
